

JUST ARRANGE IT INFO KIT

13-24 February

Ommen, The Netherlands

WHY JUST ARRANGE IT?

The unemployment rate is still high and in a changing process, entrepreneurs are rising and it offers more and more possibilities. Who wants to work for one boss for 30 years anyway? Don't you want freedom and explore new things in your career?

FOR WHO IS IT?

This exchange is for you if you are between 15 and 21 years and if you are either unemployed or you don't know what decision to make for your future career, study, work, etc.

Also if you want to learn more regarding social entrepreneurship, than this exchange might be interesting for you!

WHAT WILL WE DO?

In the exchange you will discover social entrepreneurship by doing. The whole idea is that in the exchange we work towards buying a forest. In order to achieve that you will be doing things and then looking back on what you did, why you did it and what you got out of it. This will be done in working together with persons from other countries. During workshops we will explore what your opportunities and possibilities are. During the workshops different working methods will be used, like photography, video, simulation game and/or theatre.

WHAT WILL WE DO?

We will focus mainly on the following aspects during the exchange:

- How to organise an activity in your surrounding? – sharing best practices and examples.
- What is social entrepreneurship and what can I do with it?
- How do I find financing for my idea?
- What is social impact and how do I measure it?

During the exchange we will work as a group as well on a social project, what it will be specifically will be defined during the exchange by you. Think of raising awareness for poverty, collecting funds for Greenpeace or combat pollution.
